

## Sunbridge (to the tune of Moon River)

Sun-bridge—our senses you beguile  
We love your anthro style each day  
Oh, soul shaker, you heart waker  
Wherever you're goin', I'm goin' your way

A few seekers, off to change the world  
There's such a lot of world you see  
We're after the same rainbow's end, help the world to mend  
My deep and karmic friends, Sunbridge, and me

Sun-bridge—we've known you for a while  
Need lots of air miles each stay...  
Oh, dream acres, you heart shaker  
Wherever you're goin', I'm goin' your way

A few seekers, off to change the world  
There's such a lot of world you see  
We're after the same rainbow's end, help the world to mend  
My deep and karmic friends, Sunbridge, and me

Sun-bridge, you've made us really smile  
We'll visit for a while today  
Oh, spirit waker, you care-taker  
Wherever you're goin', I'm goin' your way

A few seekers, off to change the world  
There's such a lot of world you see  
We're after the same rainbow's end, help the world to mend  
My deep and karmic friends, Sunbridge, and me
