Financial aid: Sunbridge offers a variety of generous financial aid options to reduce your tuition by up to 40% or more, depending on your financial situation and work status. We also offer payment plans that help you better fit your tuition costs into your monthly expenditures. Read about these options [here](#).

Discount options: A 10% discount will be applied to each student's tuition (and your school's contribution, if any) when two or more teachers from one school are enrolled in any Sunbridge program at the same time during one academic year. We also offer 10% discounts for tuition paid with CAD (combinable, when applicable, with our "volume" discount). Please note that discounts are applied after any financial aid has been awarded.

Sunbridge Third-Year Grant:

- This grant is valued at \$700 for graduating students who have attended the entirety of the 25-month WHSTE program at Sunbridge. Transfer students will receive a prorated portion.
- Students will receive half the grant credited to their last tuition payment.
- The remaining half is sent as a check after commencement. If any assignments/fieldwork are still outstanding, this check will be sent once the work is completed, as long as that completion happens within 12 months of your original graduation date. If not, the remaining half will be forfeited.

Contact our [finance office](#) for full details.

Billing & Payment: You will be billed before each term, with payment due no later than one week prior to the start of that term. To pay your tuition, log into your [Sunbridge account](#), go to Billing/Current bill/Make payment/Other amount, enter the amount due (per your invoice or payment agreement), and choose your payment method. Note: If you pay by check, "direct debit" is the digital equivalent. Credit card payment requires a 3% processing fee. There is no fee for direct debit payments.
